- 1.6. Proposal to increase the share capital, under the suspensive condition of subscription, by the issue of the new shares mentioned above, under the conditions specified above, and at the issue price set by the Extraordinary General Meeting.

Proposal to set the maximum amount by which the share capital can be increased after subscription, by multiplying the issue price of the new shares set by the Extraordinary General Meeting with the maximum number of new shares to be issued. Subscription to the new shares shall be reserved for employees of the company and its related companies, as specified above.

The capital shall only be increased in the event of subscription and this by the amount of this subscription. If the number of shares subscribed to is greater than the specified maximum number of new shares to be issued, there shall be a distribution whereby in the first instance the possibility of obtaining the maximum tax benefit for each employee shall be considered, and in a next stage a proportionate decrease shall be applied in relation to the number of shares subscribed to by each employee.

Proposed resolution: approval of the increase of the share capital under the conditions stipulated above.
